Speakers

For biographies of this year's speakers, please visit the American Lung Association in Indiana TB Education website found at www.lungin.org **TB Education Program.**

Education Credits Jointly Sponsored

- This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Indiana State Medical Association (ISMA) through the joint sponsorship of St. Vincent Hospital and Health Care Center Inc. and the American Lung Association in Indiana. St. Vincent Hospital and Health Care Center Inc. designates this live activity for a maximum of 4.5 AMA PRA Category 1 Credits(s)TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
- St. Vincent Hospital and Health Care Center, Inc., Indianapolis, IN (ISNA No. CNEP 10-10, 12/1/2013) is an approved provider of continuing nursing education by the Indiana State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. Nurses attending this conference may earn up to 5.16 Continuing Nursing Education contact hours.
- CEUs for respiratory therapists will be provided by the American Lung Association in Indiana.

Disclosure Statements

- As a sponsor accredited by the Indiana State Medical Association, St. Vincent Hospital and Health Care Center Inc. must ensure balance, independence, objectivity, and scientific rigor in all sponsored educational programs. All faculty participating in these programs must complete a disclosure statement indicating any real or apparent conflict(s) of interest that may have a direct bearing on the subject matter of the continuing education program. This pertains to relationships with pharmaceutical companies, biomedical device manufacturers, or other corporations whose products or services are related to the subject matter of the presentation topic.
- Approved provider status does not imply endorsement by the provider, ANCC, or ISNA of any commercial products displayed in conjunction with an activity.
- Funding for this conference was made possible in part by the Centers for Disease Control and Prevention cooperative agreement award No. 5U52PS500520-29. The views expressed in written conference materials or publications and by speakers and moderators do not necessarily reflect the official policies of the Department of Health and Human Services, nor does mention of trade names, commercial practices, or organizations imply endorsement by the U.S. Government.

General Information

The TB Education Symposium is strongly encouraged for all American Lung Association in Indiana TB Education Program instructors and trainers. This symposium serves as an update. The symposium is not required; however, further continuing education activities, as set forth by American Lung Association in Indiana and Indiana State Department of Health, may be required in place of this symposium.

Objectives

By the end of this symposium, attendees—physicians, nurses, respiratory therapists, and health educators—will be able to identify, with at least a 90% degree of accuracy as measured by a post-symposium survey, the following:

- state, national, and international TB statistics
- new IGRAs
- pediatric TB cases

This 2011 TB Symposium was brought to you by the TB Symposium Task Force—TB and health education professionals dedicated to increasing awareness and knowledge of TB and providing you with a great learning experience. Special thanks to task force members, including Shanica Alexander, Public Health Advisor; Lesta Amerman, Nurse Consultant; Erica Bailey, TB/Refugee Health Educator; Janet Blossom, BC Educator III; Sarah Burkholder, Director TB/Refugee Health Division; Joy Hardacre, TB Nurse Consultant; Angela Koszyk, CME Coordinator; Dodie Kreger, Customer Account Manager; Meghan McNulty, Manager of Respiratory Health and Environmental Programs; Karen Retzner, Educational Coordinator; and Barbara Weber White, TB Nurse Consultant.
